About

"Passionate about coding and curious about the ever-evolving world of technology. I have a keen interest in web development, artificial Intelligence, computer vision and more. I have developed my skills through hands-on projects and I have also proven myself with certifications in various courses."

Education

G Pullaiah College Of Engineering And Technology *(Present)*
- *CSE | 8.4 CGPA*

Narayana Junior College *2019 - 2021*
- *MPC | 91%*

Sri Lakshmi High School *2018 - 2019*
- *SSC | 9.3 GPA*

Skills

Programming Languages : *C, Java , Python*

Computer Fundamentals : *DBMS , Operating System , Computer Networks (Basics)*

Web Development: : *HTML, CSS, JavaScript.*

Database Management : *Mysql*

Version Control : *Git , Github*

Problem-Solving : *Debugging ,DSA*

Projects

- **SafeDrive** **-Visit**
  This system utilizes computer vision techniques to monitor a driver's facial expressions in real-time. By analyzing the position of specific facial landmarks, it can detect signs of drowsiness such as excessive eye closure and yawning. If the system determines that the driver is exhibiting signs of fatigue, it triggers an alert to prompt them to take a break. This technology aims to enhance road safety by reducing the risk of accidents caused by driver drowsiness.

- **Fashion Hub Blog** **Visit**
  Developed a web application allowing users to register and log in securely, with data stored in a MySQL database. Upon successful authentication, users gain access to a fashion hub featuring men's fashion blogs.

- **Manalyze – Personality Quiz** **-Visit**
  Developed a personality quiz web site to classify users into one of seven male personality types (Alpha, Beta, Sigma, Omega, Gamma, Delta, Zeta). Utilized HTML, CSS, and JavaScript to create an interactive, web-responsive quiz with a personalized results page. Integrated dynamic scoring and modern design elements for a seamless user experience.

Certifications

- *Basics on Software Development (Forage)*
- *HTML CSS JS For Web Developers (Coursera)*
- *Mysql (W3 Schools)*
- *Bronze Certified Smart Coder (Smart Interviews)*

INTERNSHIP AND EXPERIENCE

Accenture Virtual Experience Programme on Forage - September 2023

- *Understanding of the Software Development Lifecycle.*
- *Created and delivered a compelling PowerPoint presentation analysing and comparing Waterfall and Agile methodologies.*
- *Debugged programs written in Python by fixing syntax and logic errors in the code.*

Participations and Prizes

* *GDSC Hackathon League (Runner Up Prize)*
* *IEEE Power Point Presentation (Second Prize)*
* *Bagged Consolation Prize in Code-Fest*
* *Participated in IEEE workshop*
